ACTIVITIES AND GENERAL INFORMATION

Camps will begin at 10:00 a.m. each morning and end at 4:00 p.m. Please do not send your child before 10:00 am (unless they are registered for AM Extended Care). Also, please pick up your child at 4:00 pm. (unless enrolled in PM Extended Care) or you will be charged a late fee. Please remember to sign your child in and out of camp. A sign in / out book will be located near the door to your child's room.

A variety of activities have been planned so that each child will have a fun and enjoyable camp experience. Please read the camp schedule/calendar carefully so you and your child will know what to expect each day at camp.

Please keep in mind that each camp session is only three weeks long. Our goal is to make camp safe and fun for everyone involved. Not all children like the same activities so we offer a "little of everything" and make every effort to keep each participant happy.

Sports:

Our camp will provide a variety of opportunities to engage in sports activities. The campers will have access to the playland and local parks to play a variety of sports, games, and many more.

Art and Crafts:

In many creative ways, the campers will improve small motor skills through various arts and craft projects. In addition to the weekly art project, the groups will have access to arts and crafts supplies (paint, clay, construction paper, markers, etc.).

Calendar:

Please read the camp calendar carefully each day. A camp calendar will be passed out at the beginning of each session.

Special Pick-Up Request:

If you must pick up your child during camp hours due to a dentist appointment, etc., these arrangements must be made in ADVANCE. A note to your child's counselor is necessary to ensure that we have your child at the proper location at the necessary time. We strongly encourage you to limit these special requests, since activities are planned and adjustments must be made in order to accommodate any special pick-up requests.

Absentee Policy:

Please call RFCC BY 8:30 a.m. to report any absences at (708) 771- 6159. Please remember that on trip days the bus will not wait for late campers. If campers are late, it is the parent's responsibility to find the child's group.

We realize that there will be days in the summer when temperature and/or humidity will be extreme. The decision whether your child should attend camp is left to each parent. Refunds are not issued for days absent.

Field Trips:

Due to the current Covid-19 restrictions, we do not foresee scheduling any major field trips in our Young Voyagers camp this summer. Families will be updated with any changes.

Camp Attire:

Campers should wear comfortable, cool clothing to camp that is suitable for athletic activities and messy play. Appropriate clothing would include jeans or shorts, sweats, socks and gym shoes. Please put all of your child's belongings in one bag with his/her name on it. Do not send money, toys, or jewelry with your child. Please put sunscreen on your child BEFORE they arrive at camp.

Snacks/Lunch

All children will be offered a snack during AM extended care and before 4:00 pm. A hot lunch will be served Monday - Friday. Lunches are catered by Delicious By Quality Catering.

Rest Time/Cot Sheets

All children who are three and four years of age will rest from 1:00pm-3:00pm daily. Children who do not fall asleep within the first 45 minutes of rest time will be allowed to read or to quietly work puzzles on their cot. The Community Center will provide each child with a cot and a sheet. We recommend that each child also bring in a blanket or sleeping bag. Pillows and small stuffed animals may also be used during rest time.

Toys

Children are not allowed to bring toys from home unless directed by the child's teachers. If a child brings a toy from home, it will be kept in the child's cubby or in the director's office until the end of the day.

Birthdays

Parents may bring a special snack to celebrate their child's birthday. Due to licensing requirements, all food items must be store bought products and free of peanuts/tree nuts and any other allergens that may cause harm to our students – please check with your child's teacher before choosing your child's treat. Any items that contain items that our students are allergic to will not be served.

Inclement Weather:

Since trips are planned months in advance, every effort will be made to go on a planned trip or activity. However, in case of inclement weather (cold, rain, etc.) on trip days, a decision will be made at 10:00 a.m. by the Camp Director and Community Center staff whether to cancel or substitute another trip in place of the planned activity. Please do not call before 10:00 a.m. for information.

Illness/Infectious Disease

The Community Center is currently following the Covid-19 Exclusion Guidance Guidelines as stated by the Illinois Department of Public Health. Current guidelines will be made available before the start of camp.

RFCC/CDC/State of Illinois Public Health Guidelines

All participants are required to follow RFCC/CDC/IDPH Guidelines in response to the Covid-19 Pandemic. Covid-19 policies and procedures will be delivered to families before the beginning of summer camp.

Allergies/Special Needs

At the time of enrollment, parents must notify the Early Childhood staff of any allergies or special needs their child may have by accurately completing the health and enrollment forms which will be kept in the child's file. If any changes occur during the school year, parents must immediately notify the Community Center in writing. The Community Center cannot be held responsible if a parent(s) fails to provide the Center with updated information.

The parents of participants with allergies or other special needs may be asked to bring alternate snacks, beverages, etc. if an acceptable alternative is not regularly purchased by the Community Center (i.e. the Center will provide water to children who are lactose intolerant. A parent must bring lactose free milk if he/she feels that water is unacceptable.)

A quiet area will be provided to students who wish to practice religious customs/traditions before meals or anytime during the school day.

Medication

The staff will administer medications only if they are necessary to protect the health of a child. A signed medical authorization form must be filled out by the child's parent/guardian. The medication must be in its original prescription bottle with a label stating the child's name, the dosage, the pharmacy name, the prescription number, and the doctor's name. Non-prescription medication must be in its original container with the child's name written on the label. A physician's signature may be required for non-prescription medications.

Emergency Procedures

Emergency information must be provided for each child in their enrollment packet. If an emergency occurs, the safety of the children will be the first priority and the parents will be notified as soon as possible.

Designated staff members are certified in first aid and CPR training. If a medical emergency occurs, a staff member will call 911, perform First Aid/CPR and, if necessary, the child will be taken by ambulance to an area medical center.

Emergency Response, Evacuation & Crisis Plans

The Community Center has an Emergency Response plan and an Evacuation plan that is specific to the building where the program is located. Information regarding the specific procedures for each location is outlined in the respective plan for each building and should be referred to in the event of an emergency situation.

Liability Insurance

The River Forest Community Center carries liability insurance coverage in the single limit minimum amount of \$300,000 per occurrence.

Release of Personal Information

Information pertaining to the admission, progress, health, or discharge of an individual child shall be confidential and limited to facility staff, the Department of Children and Family Services and the local Health Departments.

If a student's personal information is requested by additional outside agencies, the parent/guardian of the child must sign a release waiver before the information can be shared.

POSITIVE GUIDANCE & DISCIPLINE POLICY

Our goal is to help children develop self-control, take responsibility for their behavior and understand the value of appropriate behavior. We encourage children to learn how to grow independently and make appropriate choices to manage and self-regulate their behavior.

The environment is designed to promote positive and enjoyable learning experiences for each child and emphasis is placed on the following as preventive measures to minimize issues or concerns:

- Room arrangement
- Choice of age appropriate materials and learning activities
- Consistent schedule and predictable routines
- Age appropriate expectations
- Positive staff-child interaction
- Active adult supervision.

Staff set clear, consistent, and reasonable limits and then follow through enforcing these limits. We remind children of the expected behavior and use simple language to explain reasons for the limits. To help achieve goals, our staff utilizes supportive, positive guidance and discipline techniques which help children acknowledge their behavior, make choices about the solution and accept responsibility for consequences.

Specific positive guidance and discipline techniques include:

- Using redirection and distraction rather than negative reinforcement
- Changing the learning environment when it interferes with positive behavior
- Helping children verbalize their feelings and needs
- Using logical or natural consequences by stating the cause and effect of behavior and allowing the child to choose
- Modeling and teaching problem solving techniques

When a child's negative behavior involves frequent hitting, pushing, biting, or harm to himself or other children or equipment, the child shall be removed from the situation for problem solving, re-direction and/or quiet time alone. This technique differs from the punitive time-out by helping a child learn to regain control and learn socially appropriate ways to express strong emotions. Parents will be informed of recurring inappropriate behavior and the discipline measures used at the time. Staff may ask parents to discuss a problem behavior with the child at home.

The Community Center believes ongoing discussions between parents and staff are the most effective way to address a concern and will use this approach in order to develop a solution together. At times, the Community Center may consult with other professionals or identify other resources which may be beneficial for a child. If a reasonable solution cannot be reached, the Community Center reserves the right to make a determination regarding the dismissal of a child from the program. No adult (including a parent) may ever use corporal punishment or other frightening or humiliating disciplinary techniques in a DCFS licensed program. **Under the Abused and Neglected Child Reporting Act [325 ILCS 5/4], RFCC staff are required to report to the child abuse hotline (1-800-25A-BUSE), whenever there is reasonable cause to believe that a child may be abused or neglected.**
